ITALIAN'S STORE WRECKED.

Dynamite Bomb Hurlled at Home

While Occupants Slept.

NEW ORLEANS, June 12.—A dynamite bomb yesterday wrecked the dry goods store of Joseph Sperio, an Italian, at Hospital and Decatur streets. Sperio, his wife and four children were asleep, but none of them was injured. Sperio said he knew who threw the bomb, but the police he was afraid to give the name.

For several months Sperio has been receiving threatening letters, telling him that unless he gave up \$1,000 he would regret it. His wife said that an Italian recently called for the money, and when Sperio refused to give it to him the stranger drew a dirk and attempted to stab him.

William H. Bowers filed a suit in Hartsdown, Md., for an absolute divorce from his wife, M. Bowers. Three children were born to the couple.

ALL ABOARD FOR

"The Spitfire"

She sails next Sunday upon one of the most delightful cruises ever imagined by a novelist. Her passengers and crew will keep you interested as readers of fiction have seldom been interested.

EDWARD PEPE

—who wrote "The Prince Chap" and other fine plays and stories, is the creator of "The Spitfire." He has put into this story love, dramatic force, high and low comedy, conspiracy, moonlight, revelry, jewelry and delirium.

The characters include a lovable and beautiful heroine who has something of a temper, a mysterious, adventurous hero who is hard to dislike, an irascible millionaire with questionable acquaintances, some spinster friends of the heroine, ship's officers, deckhands, bullies, villains and servants.

And the rapidly moving picture which these characters engage in has a luxurious steam yacht as a setting, the whole framed by the blue Atlantic and the bluer skies.

Other features are "The Individuality of Children," by William George Jordan; another Shorty McCabe story, "Heiney Takes the Gloom Cure"; "The Story of Blue Violet," by Uncle Tom Andy Bill; a charming little summer love story by Frank Chaffee, and another letter from "The Girl from Grand Detour."

ITALY'S KING ACCEPTS

HONORARY MEMBERSHIP IN CROSS OF HONOR BESTOWED.

Victor Emmanuel, King of Italy, has accepted honorary membership in the order of the American Cross of Honor. Mr. Thomas H. Herndon, president of the order, has been notified to that effect by the minister of the royal household, who announces that Victor Emmanuel "is pleased to accept the honor conferred upon him by the order of the American Cross of Honor, and that he appreciates the objects of the order, whose endeavors for universal philanthropy, brotherly love, fraternal feeling and humanity make it a meritorious adjunct to modern civilization, toward which the federal government as well as those of the separate states so much contribute."

The American Cross of Honor is composed of men who have received medals for saving life and was incorporated by Congress May 1, 1906. President Roosevelt, the King of England, the Emperor of Germany, the King of Belgium and Mr. Andrew Carnegie are honorary members.

LUSITANIA'S FAST TRIP.

Reaches New York With Three New Atlantic Records.

NEW YORK, June 12.—With three new across-the-Atlantic records safely stowed away, the giant Cunard turbine Lusitania dropped her anchors off Sandy Hook a few minutes before 2 o'clock this morning. The official time of her arrival abreast of the Sandy Hook lightship was 1:08 a.m.

The time of her passage from Daunt's Rock to Sandy Hook lightship, the official Atlantic racing course, was four days, twenty hours and eight minutes, which clips seven minutes off the record for the fastest trip across the Atlantic by the long course, made by her sister ship the Mauretania. The Lusitania's best previous record for the course was four days, twenty hours and twenty-two minutes.

The Lusitania also has the record for the longest day's sailing from noon Sunday to noon Monday made 641 miles, beating the Mauretania's best day's run by six knots. The Lusitania's runs, ending at noon each day, as follows: Sunday, 59 knots; Monday, 62; Tuesday, 62; Wednesday, 62; Thursday, 63; Thursday noon to 1:08 a.m. Friday, 63. Total, 288 knots. The Lusitania maintained an average speed of 24.88 knots an hour as against the Mauretania's record of 24.88 knots an hour.

DR. HILL REACHES BERLIN.

Emperor and Officials Will Not Delay Audiences.

BERLIN, June 12.—Dr. David Jayne Hill, formerly minister to Luxembourg and the Netherlands, who is to succeed Charlemagne Tower as the American ambassador to Germany, arrived in Berlin today. He has taken the apartments in the Hotel Adlon, which were occupied for nearly a year by Jules Cambon, the French ambassador, pending the reconstruction of the French embassy building.

Chancellor von Buelow and Foreign Minister von Schoen will receive Mr. Hill as soon as his arrival is announced to them, which probably will be late this afternoon or tomorrow morning.

Emperor William will not delay his audience to Dr. Hill, which will probably occur Sunday. Mrs. Hill has not yet arrived here.

School Commissioner Purnell Jump of Kent county, Md., has sold his farm of 236 acres, located near Fairlee, to Thomas G. Wroth of Chestertown for \$15,500. Mr. Wroth with this purchase has about 1,000 acres of excellent land.

D. B. HILL IS OFF FOR EUROPE

FORMER YORK STATE SENATOR TALKS OF HIS RETIREMENT.

Declares There Is No Democratic Party Today—Republicans Disorganized.

NEW YORK, June 11.—David B. Hill, former United States senator, and for long time leader of the democratic party in this state, sailed for Europe today on the steamer Baltic. Discussing his retirement from active politics, Mr. Hill said:

"There is no democratic party. When I met the late Gov. Altdorf in a little room up a back stairs in a Chicago hotel shortly before the first so-called Bryan convention I told him that the policies of the party, as represented by the democratic party to hell. Then when he begged for another try, four years later, I said: 'You are most there; stop before you have absolutely ruined the party.' But Bryan was nominated, as I saw the futility of a minority report with only ten votes to back me."

"I admit that the republican party is badly disorganized at the present time. Both parties are disorganized. There was no opportunity, but I fear that it has been overlooked."

"The key of this political campaign should be 'raft,' the candidate of political patronage. What else is he? He is put before the people as a candidate by the 'power of political patronage.' Nothing else."

Johnson the Ideal Candidate.

"Now both sides in the coming political struggle will have to go to the masses for their votes. They must draw from the masses, and what better man could stand against the candidates representing the 'power of patronage' than John Johnson, who spent his boyhood days in a county poorhouse. Think of it! Torchlight processions with banners reading 'John Johnson, the poorhouse candidate.' And from what I have been able to learn, Mr. Johnson is more than a mere near-to-the-people candidate; he is a well-balanced man and an able man."

"Every time Bryan says 'I kept the faith,' it makes me smile. He has kept the faith, indeed. He kept it out in Nebraska, his own state, which is now republican to its political core."

"The democratic party never wanted left of the party in 1900, and now in 1908 he calls himself the democratic party, and says, 'I have kept the faith.'"

Mr. Hill was accompanied on the trip by Carl A. Doeffler of Washington, who
